

Transportation, Infrastructure & Energy Committee

METRO TRANSPORTATION SALES TAX

Metro's Board of Directors voted to place a measure on the November 2016 county-wide ballot to increase sales tax by ½ cent with the funds going to highway, transit and other transportation projects. This would raise the county sales tax to 9.5% and will last in perpetuity. It also will extend the current Measure R sales tax past its 2039 expiration date into perpetuity. Hear about which projects Metro has identified for funding, how the projects will be timed, and help decide whether CCA should support this measure.

Special Guest: Pauletta Tonilas, Metro **LINK UNION STATION**

Join us to learn the latest about Link US. Formerly known as the Southern California Regional Interconnector Project (SCRIP), this project will significantly enhance the efficiency of Union Station by extending the stub-end tracks over the US-101 freeway. This will provide a huge increase in capacity. A new passenger concourse will be included to improve pedestrian circulation and to provide new amenities and waiting areas. Hear about the project's improvements at Union Station and potential impacts to the Arts District.

Special Guests: Vincent Chio, Metro; Tom Kim, HDR Engineering and Michele Arce, MBI

(Open to Executive, Business Advocacy and Premier Level Members Only)
